

2019 NAWGJ National Symposium Awards

The Helping Hands Program was established in July of 2014 with a donation of \$10,000 from National Judges' Cup as seed money. In addition, we have received donations totaling over \$10,000. Contributions have come from over a dozen states. Since then we have distributed funds to states in financial need for clinics and SJDs meeting travel.

In order to use these funds to benefit more of our membership, we are offering a new opportunity. We are giving Symposium Awards for the 2019 Symposium.

NAWGJ Helping Hands Program is distributing eight \$500 awards for the 2019 NAWGJ Symposium. The purpose of these awards is to allow candidates with financial needs to attend the 2019 Symposium. All active NAWGJ member judges are eligible to apply.

Candidates should fill out and return the NAWGJ Symposium Award Survey to the Helping Hands Committee and their own SJD by October 20.

SJDs should complete the Helping Hands NAWGJ Symposium Award SJD form for each candidate from their state. The form is posted on the SJD page of the website. This should be returned by November 10.

Selections will be announced at the National Judges' Cup in January 2019.
