

*I am so honored to serve as your RJD. I am looking forward to working with the National Board and the amazing Region 3 SJD's, a wonderful group of ladies who volunteer numerous hours for NAWGJ. I am excited to represent Region 3.*

We are currently having the **State Governing Board Elections**. I know the SJD's have sent our notices concerning the elections. Any judge who has been a member of NAWGJ since May 1, 2014, is at least 21 years old and in good standing under the canons of NAWGJ is eligible to run. I hope many of you consider running for office. I love to see judges interested in being involved, volunteering to make NAWGJ better and being on the board so that we have a broad base for other offices.

...You must have served on a State Governing Board in order to run for SJD. You must have been an SJD to run for RJD and you must have been an RJD to run for the National Governing Board. PLEASE consider running. **Applications are due June 15.**

#### **CPE's are Due June 30:**

Your CPE Form is due at the end of this month. If you haven't finished your hours, please submit it anyway, indicating when it will be done. (Ex. You will be going to Congress). Then turn it in again when you are done. If your CPE is not current you CANNOT be assigned unless NO ONE ELSE in your state is available to judge. Even then, you will be paid \$5.00 an hour less. If you are a new judge and don't understand what you need, please contact your SJD. Please read the form carefully as there is a maximum amount you can claim for coaching, in-gym, volunteering & practice judging.

The form can be found on: <https://usagym.org/PDFs/Women/Judges/AnnualCPERecord.pdf> and is called "Annual CPE Record"; send only this form as the proof stays with you in case you are audited.

#### **Memberships DUE:**

All NAWGJ and USAG memberships expire on July 31. Please make sure you have renewed them. Most states require that you send a copy of your membership cards to someone on the NAWGJ State Board. Please do this the first time you are asked.
