### Form 990, Part III, Line 4a:

2017-2018 Actions and Activities The total membership number is 2242. This was a very active education year as we had to re-certify all judges with optional ratings. This process took place over several months. Many clinics and study sessions were offered around the country. Much sharing of educational and judging information took place. NAWGJ members served as the test administrators in the recertification process. We conducted our annual workshop for the state directors. This continues to be an important tool to increase the consistent application of our national organizational goals and to improve communication. In addition, plans were formulated for our National Symposium being held in July 2019 in Ft. Worth, Texas. A large number of our membership will attend. This symposium will focus on maintaining judging expertise and professionalism. Our President, as a member of the Advisory Council for USA Gymnastics is invited annually to the meeting of the Junior Olympic Committee's planning meeting. She also presents at the annual NCAA Gymnastics Coaches Convention, working with the coaches to improve the judging of their events. We continue to strive to increase the number of judges in the United States through providing educational and professional learning experiences. We also serve the gymnastics community by providing judges assigning for meets conducted by USA Gymnastics, AAU, YMCA, NCAA, USAIGC, high schools and College Club programs. We additionally often provide volunteer personnel for many meets.
