

RULE 11: A judge shall not engage in any conduct which results in or tends to result in an event or meet being seriously interrupted, compromised, terminated prematurely, or terminated in discord. A judge shall consult with the appropriate official (Meet Referee, Meet Director, and/or NAWGJ official) for resolution of any disagreements, improprieties, impositions, contract disputes, or monetary losses.

Opening to the Tune from Kiss Me Kate...

WHY CAN'T YOU BEHAVE...??? OH WHY CAN'T YOU BEHAVE...!!
With guidance that we give you...and the contracts that you made...OH
Why Can't you Behave!!

It's tough, but do not Interrupt...Let leaders lead the way
Be careful and be thoughtful with everything you say!!

The Judge in Charge is trying to keep peace and make things smooth
So think before you raise your voice, stay steady and be cool!!!

Our compensation's well spelled out though 'times' appear to differ
Please understand, cooperate...our partners are our sisters!!
