

## Don't Leave Home Without It Judge's Pre-Meet Checklist Expanded for COVID Era

### To Do:

- Update your Code (Paper version and/or iPad)
- Practice judge at each level of your assignment
- Charge your iPad/Apple Pencil if applicable
- Check *Meet Director 10 or 10 Checklist* for meet-specific safety activities and Review the NAWGJ Judge Safety KIT at <https://nawgj.org/judging-aids/administrative-forms/>
- Find out if you need to bring any meals or if per diem is being provided in lieu of meals
- Consider taking your temperature the day before the meet to avoid screening delays if applicable

### For Your Judging Bag:

- Start Value Flasher, Neutral Deduction Flasher, Green Flag (as needed)
- Printed mileage verification (Map Quest/Google Map)

- Judging sheets for all levels and events you will judge
- Reference materials for event: shorthand symbols, composition charts, etc.
- Electronic device supplies (external batteries, charging cable, wall cord)
- Hand sanitizer/antiseptic wipes or equivalent
- Facial covering (rinsing glasses in Dawn dish detergent can prevent fogging when wearing a mask)
- Plastic baggies or clean paper bag for storing mask/extra masks (see notes at end for mask storage)
- Lip balm (if facial coverings cause dry lips) and breath mints (to reduce breath odor behind mask)
- Kleenex
- Bottled water or personal drinking cup
- Snacks (in case food service is limited or snack bars closed)
- Plastic wrap or baggies or heavy napkin to cover snack bowls if provided on tables
- Paper towels for bathroom at venue (for faucets, door handles, etc.)
- Large plastic baggie for hotel remote control
