## NCAA Duties and Standards:

It is imperative to the dignity and growth of women's gymnastics that judges be well educated in the details of gymnastics and the current rules, thoroughly prepared for each assignment and able to cover all possible circumstances. Toward that end, the WCGA – Women's Collegiate Gymnastics Association – has adopted the following code of ethics for judges:

\_\_\_\_\_ All meets should be regarded as part of the National Qualifying System for individual competitors. Judges should strive for consistency in scoring at all collegiate meets regardless of division, location, or type of meet.

\_\_\_\_\_ **QUALIFICATIONS** – It is the duty of all judges to prepare themselves thoroughly and constantly update their preparation. They should not accept any collegiate assignment for which they are not well qualified. Level 10 or higher ratings are required.

\_\_\_\_\_ **AFFILIATION** – No judge with an affiliation with an NCAA institution that sponsors women's gymnastics will be assigned (by the NCAA) to the national championship. However, a judge may be assigned to a regional competition where he/she is not affiliated. Examples of affiliation would be, but not limited to:

**You would be considered affiliated if:**

- You are affiliated if you were a part of an NCAA team in the last five years
- You are affiliated if your son or daughter is a part of an NCAA gymnastics program or has been in the last five years
- You are affiliated if you have coached an NCAA team in the last five years
- You are affiliated if you receive any financial remuneration from a college or university for work or business other than officiating
- You are affiliated if you are an NCAA athletics-related booster club member
- You are affiliated if you coach or work for a club gymnastics program that is under the auspices of a university or college program

**You are not considered affiliated in the following situations:**

- You are NOT affiliated to a school you attended or graduated from, unless you were a member of the gymnastics program in the last five years
- You are NOT affiliated if your son or daughter is a student – and not a part of the gymnastics program - at an NCAA institution

**You are not eligible to serve as a judge if you are:**

- You are not eligible to serve as a judge if you are currently a part of any NCAA gymnastics program (athlete, coach, volunteer coach, manager, trainer etc.)
- You are not eligible to serve as a judge if you are an individual with a current financial interest in a coach or team

**APPEARANCE** – Each judge should be in their NAWGJ uniform a minimum of 30 minutes prior to the start of competition for the judges meeting held by the Meet Referee.

**DUTIES AND RESPONSIBILITIES** –

- Judges shall be greeted by a representative of the host institution before the start of the competition. Coaches are permitted to formally acknowledge and greet judges in a cordial manner before the start of the competition. Conversations with a chief judge or meet referee for purposes of changing a lineup or discussing an inquiry, after initiation by a judge, are permissible.
- Discussions with student-athletes, parents, alumni, and/or recruits should not occur.
- Judges should avoid any appearance of particular friendship or fraternization with coaches or competitors.
- At regular, conference championships and post season competition, judges are prohibited from entering the competition floor until the floor is cleared after warm-ups.

- Judges must be seated separately on the competition floor.
- Individual judges' scores, start values, and UTL cards (when warranted) must be flashed.
- NCAA allowable range of scores is to be followed for all collegiate meets.
- Inquiries should be handled by the meet referee/chief judge. If an inquiry response is unsatisfactory to the coach, a video review is allowable following the conclusion of the meet. (See NCAA Rules & Modifications for procedures).
- Judges must process all inquiries before the start of the next event.
- All judges must check the score sheet at the end of the competition and verify by signatures the accuracy of the scores.
