

Professional Activity Report

In order to facilitate the documentation of your professional services as a judge for insurance purposes, please report in-gym critiques and other non-contracted professional activities in [GymJas](#). ***Activities need to be reported no later than the day of the event.***

They will not be used as an evaluation of your contributions or professional activity but are solely for the purpose of creating a record for insurance purposes. You no longer need to submit these activities via email to your assigners, just report them in gymjas.

For additional information, contact your State Judging Director.
