

Instructions for Ordering Items From the Leaping Lady Site
(Minimum order requirements for some items)

1. On the NAWGJ Uniform webpage, click on the red heading: **Leaping Lady Site**.
2. Sign in to your account (or create an account if you don't have one). You need to sign in to get the correct logo (Leaping Lady) and to access discounts, free shipping, or free logo when these are offered (watch your email for notifications of these special promotions from Lands' End).
3. On the menu bar at the top, click on Men, Women, or Promotional Products or hover over the word to see a list of products available. Promotional Products include items such as bags, hats, and other items that may be purchased by NAWGJ members and/or used for gifts, Judges Cup raffles, etc.
4. Select the item you would like to purchase and complete the required information (color, size, and quantity). Items with the Leaping Lady should only be ordered in red, white, or navy blue.
5. A pop-up box should appear with the Leaping Lady logo.
 - If the Leaping Lady does not appear or if the official NAWGJ red, white, and blue emblem appears, contact Denise Green secnawgj@gmail.com to address the problem before ordering. The official NAWGJ red, white, and blue emblem may only be used on the official uniform pieces.
6. Select Proceed to Checkout if finished ordering.
7. Select Continue Shopping if you would like to view other items.
