

NAWGJ Level 10 Clinics Series One

Round 2 & 3 Registration: Test Prep, CPE, and PIP

Series One Clinics: NAWGJ is offering a series of Level 10 Practice Judging on-line clinics. Round 1 of the first series got off to a good start this week with clinicians Linda Thorberg and Evelyn Chandler.

Round 2 is in August and Round 3 begins in October. All three rounds use the same routines and scripts. Therefore, CPE and PIP credit may be earned only one time for participation in any of three rounds. However, all judges are welcome to participate for educational purposes even if you don't need CPE or PIP credits.

You may earn up to 2 hours of CPE or PIP credit for each clinic session. Sessions will not be recorded.

These clinics are provided at no cost as part of your NAWGJ membership.

Pre-registration is required. You must register for EACH clinic that you want to attend. Times listed are Eastern time zone. Click on the link(s) below to register.
