Section V – Indemnification

- A. NAWGJ will, to the extent legally permissible under Nevada Revised Statutes (NRS), indemnify any person who was or is a party or is threatened to be made a party to any threatened,

pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, except an action by or in the right of NAWGJ, by reason of the fact that the person is or was a Director, Officer, employee, or agent of NAWGJ, or is or was serving at the request of NAWGJ as a Director, Officer, employee, or agent of another corporation, partnership, joint venture, trust, or other enterprise, against expenses, including attorneys' fees, judgments, fines, and amounts paid in settlement actually and reasonably incurred by the person in connection with the action, suit, or proceeding if the person: (a) Is not liable pursuant to NRS 78.138; or (b) Acted in good faith and in a manner which the person reasonably believed to be in or not opposed to the best interests of NAWGJ, and, with respect to any criminal action or proceeding, had no reasonable cause to believe the person's conduct was unlawful. The termination of any action, suit, or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, does not, of itself, create a presumption that the person is liable pursuant to NRS 78.138 or did not act in good faith and in a manner which the person reasonably believed to be in or not opposed to the best interests of the corporation, or that, with respect to any criminal action or proceeding, the person had reasonable cause to believe that the person's conduct was unlawful.

- B. NAWGJ may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action or suit by or in the right of NAWGJ to procure a judgment in its favor by reason of the fact that the person is or was a Director, Officer, employee or agent of the corporation, or is or was serving at the request of NAWGJ as a Director, Officer, employee or agent of another corporation, partnership, joint venture, trust, or other enterprise against expenses, including amounts paid in settlement and attorneys' fees actually and reasonably incurred by the person in connection with the defense or settlement of the action or suit if the person: (a) Is not liable pursuant to NRS 78.138; or (b) Acted in good faith and in a manner which the person reasonably believed to be in or not opposed to the best interests of NAWGJ. Indemnification may not be made for any claim, issue, or matter as to which such a person has been adjudged by a court of competent jurisdiction, after exhaustion of all appeals therefrom, to be liable to the corporation or for amounts paid in settlement to the corporation, unless and only to the extent that the court in which the action or suit was brought or other court of competent jurisdiction determines upon application that in view of all the circumstances of the case, the person is fairly and reasonably entitled to indemnity for such expenses as the court deems proper.
- C. To the extent that a Director, Officer, employee or agent of NAWGJ has been successful on the merits or otherwise in defense of any action, suit, or proceeding referred to in A or B, or in defense of any claim, issue, or matter therein, NAWGJ shall indemnify the person against expenses, including attorneys' fees, actually and reasonably incurred by the person in connection with the defense.

Section II – Whistleblower Policy

The NAWGJ Code of Professional Responsibility (*COPR*) requires its Officers and Directors to observe high standards of business and personal ethics in the conduct of their duties and responsibilities. Representatives of the organization must practice honesty and integrity in fulfilling their responsibilities and comply with all applicable laws and regulations.

A. The objective of NAWGJ’s Whistleblower Policy is to establish procedures for:

1. Submission of concerns regarding accounting or audit matters by Directors and Officers of NAWGJ on a confidential and anonymous basis.
2. The receipt, retention, and treatment of complaints received by the Organization.
3. The protection of Directors, Officers, and members reporting concerns from retaliatory actions.

B. Reporting Responsibility

1. Each Director, Officer, and Member of NAWGJ has an obligation to report in accordance with this Whistleblower Policy (a) questionable or improper accounting or auditing matters, and (b) violations and suspected violations of NAWGJ’s Bylaws.
2. All suspected violations will be reported to the Vice President in accordance with the established procedures. The Vice President shall be responsible for investigating and making appropriate recommendations to the Board of Directors with respect to all reported concerns.

C. No Retaliation

It is contrary to the values of NAWGJ for anyone to retaliate against any member who in good faith reports an ethics violation. A member who retaliates against someone who has reported a violation in good faith is subject to discipline.

D. Reporting Procedure

Directors, Officers, and members should submit concerns in writing directly to the Vice President. If the concern involves the VP, submission would be directed to the President. Contact information for both may be obtained on the National website (www.nawgj.org).

E. Compliance Officer

The Vice President will notify the person who submitted the concern and acknowledge receipt of the reported or suspected violation. All reports will be promptly investigated, and appropriate corrective action will be taken if warranted by the investigation.

F. Acting in Good Faith

Anyone filing a written complaint concerning a violation or suspected violation must be acting in good faith and have reasonable grounds for believing the information disclosed indicates a violation. Any allegations that prove not to be substantiated and which prove to have been made maliciously, or knowingly to be false will be viewed as a serious disciplinary offense.

G. Confidentiality

Violations or suspected violations may be submitted on a confidential basis by the complainant. Reports of violations or suspected violations will be kept confidential to the extent possible, consistent with the need to conduct an adequate investigation.

Section III – Conflict of Interest

A. Introduction

1. The purpose of the Conflict of Interest Policy is to protect NAWGJ's interest when it is contemplating entering into a transaction or arrangement that might benefit the private interest of an Officer or Director of NAWGJ or might result in a possible excess benefit transaction. NAWGJ is committed to not only monitor and prevent any financial abuse, but also to use its best efforts to avoid the appearance of impropriety or favoritism, even where none actually exists.
2. This policy is intended to supplement but not replace any applicable state and federal laws governing conflict of interest applicable to nonprofit and charitable organizations.

B. Definitions

Interested Person

Any Director, principal Officer, or member of a committee with governing board delegated powers, who has a direct or indirect financial interest, as defined below, is an interested person.

Financial Interest

A person has a financial interest if the person has, directly or indirectly, through business, investment, or family:

1. An ownership or investment interest in any entity with which NAWGJ has a transaction or arrangement.
2. A compensation arrangement with NAWGJ or with any entity or individual with which NAWGJ has a transaction or arrangement, or
3. A potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which NAWGJ is negotiating a transaction or arrangement. Compensation includes direct and indirect remuneration as well as gifts or favors that are not insubstantial.
4. A financial interest is not necessarily a conflict of interest. A person who has a financial interest may have a conflict of interest only if the appropriate governing board or committee decides that a conflict of interest exists.

C. Procedures

Duty to Disclose

In connection with any actual or possible conflict of interest, an interested person must disclose the existence of the financial interest and be given the opportunity to disclose all material facts to the directors and members of committees with governing board delegated powers considering the proposed transaction or arrangement.

Determining Whether a Conflict of Interest Exists

After disclosure of the financial interest and all material facts, and after any discussion with the interested person, the interested person shall leave the governing board or committee meeting while the determination of a conflict of interest is discussed and voted upon. The remaining board or committee members shall decide if a conflict of interest exists.

Procedures for Addressing the Conflict of Interest

1. An interested person may make a presentation at the governing board or committee meeting, but after the presentation, the interested person shall leave the meeting during the discussion of, and the vote on, the transaction or arrangement involving the possible conflict of interest.
2. The chairperson of the governing board or committee shall, if appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement.
3. After exercising due diligence, the governing board or committee shall determine whether NAWGJ can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.
4. If a more advantageous transaction or arrangement is not reasonably possible under circumstances not producing a conflict of interest, the governing board or committee shall determine by a majority vote of the disinterested directors whether the transaction or arrangement is in NAWGJ's best interest, for its own benefit, and whether it is fair and reasonable. In conformity with the above determination it shall make its decision as to whether to enter into the transaction or arrangement.

Violations of the Conflicts of Interest Policy

1. If the governing board or committee has reasonable cause to believe a member has failed to disclose actual or possible conflicts of interest, it shall inform the member of the basis for such belief and afford the member an opportunity to explain the alleged failure to disclose.
2. If, after hearing the member's response and after making further investigation as warranted by the circumstances, the governing board or committee determines the member has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

D. Records of Proceedings

The minutes of the governing board and all committees with board delegated powers shall contain:

1. The names of the persons who disclosed or otherwise were found to have a financial interest in connection with an actual or possible conflict of interest, the nature of the financial interest, any action taken to determine whether a conflict of interest was present, and the governing boards or committee's decision as to whether a conflict of interest in fact existed.
2. The names of the persons who were present for discussions and votes relating to the proposed transaction or arrangement, and a record of any votes taken in connection with the proceedings.

E. Compensation

1. A voting member of the governing board who receives compensation, directly or indirectly, from NAWGJ for services is precluded from voting on matters pertaining to that member's compensation.
2. A voting member of any committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from NAWGJ for services is precluded from voting on matters pertaining to that member's compensation. Any voting member of the governing board can provide information to any committee regarding compensation. This also applies to any committee member whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly from NAWGJ, either individually or collectively.

F. Annual Statements

All elected and appointed officers, Executive Committee, Board of Directors, At-Large Directors, SJDs, and State Committees shall annually sign a Confidentiality Agreement and a Conflict of Interest Statement, affirming they:

1. Received a copy of the Conflict of Interest Policy.
2. Read and understand the policy.
3. Agreed to comply with the policy.
4. Understand NAWGJ is charitable, and in order to maintain its federal tax exemption it must engage primarily in activities which accomplish one or more of its tax-exempt purposes.

G. Periodic Reviews

To ensure NAWGJ operates in a manner consistent with charitable purposes and does not engage in activities that could jeopardize its tax-exempt status, periodic reviews shall be conducted. The periodic reviews shall, at a minimum, include the following subjects:

1. Whether compensation arrangements and benefits are reasonable, based on competent survey information, and the result of arm's length bargaining.
2. Whether partnerships, joint ventures, and arrangements with management organizations conform to NAWGJ's written policies, are properly recorded, reflect reasonable investment or payments for goods and services, further charitable purposes and do not result in inurement, impermissible private benefit or in an excess benefit transaction.

H. Use of Outside Experts

When conducting periodic reviews, NAWGJ may, but need not, use outside advisors. If outside experts are used, their use shall not relieve the governing board of its responsibility for ensuring periodic reviews are conducted.

Transactions which are Deemed Approved

The following transactions or arrangements are deemed approved and generally do not need to be the subject of a vote or other determination regarding conflicts of interest:

1. Judging Fees – Fees paid solely for rendering services as a judge at a competition or event shall be deemed approved, provided that such payments are similar in size and structure to those paid to others who are not interested persons.
2. Honorariums for Services Rendered – Reasonable fees paid solely for rendering services as a presenter or clinician at an educational clinic or for event services shall be deemed approved, provided that (a) full disclosure is made, and (b) the compensation is similar in size and structure to that paid to others who are not interested persons.
3. But if each of the stated conditions are not present or satisfied, the proposed transaction or arrangement should be reviewed (see Procedures: Duty to Disclose).
