

**During all NCAA competition** in the event an INQUIRY response is unsatisfactory to the Coach **(changed or unchanged score)** a video may be used for the purpose of review under the following conditions:

- a. Each **Team** is allowed **ONE** (1) review per meet.
- b. When an **equipment failure** may have occurred, the Meet Referee may use video (both real time or slow motion) to determine if and when the failure occurred and how to proceed.
- c. **Team video** or **television production** footage must be used for the review. The video may be taken from any vantage point. **The same or different video may be submitted for the Video Review.**
- d. All reviews must be specific to the
  - Performance or Nonperformance of a particular **Special Requirement VALUE PART**,
  - **Combination** of elements,
  - **UTL** or
  - **Neutral Deductions** (i.e., out of bounds) & **TND**.
- e. Reviews may **not** be used to evaluate a question of execution, composition deductions. These requests will result in a **0.1 deduction Team (TND)**.
- f. Reviews should be viewed in the speed that is to the advantage of the student-athlete. If necessary, video should be viewed in multiple speeds. Judges may use the zoom function if needed to see the video presented for review.
- g. The review must be submitted to the **Meet Director** or host institution designee **within 5 minutes** following the conclusion of the meet (as determined by the **final score posted** OR the return of the **final inquiry**, whichever is later). During this time, the scores are being verified by the Judging Panel and the Head Scorer's table.

- h. The **Coach** requesting the review must provide a signed **Video Review Request Form (VRF)**, queued video and team camera to the **Meet Director** (or host institution designee), who will be responsible for delivering this information to the **Meet Referee** and **Event Panel** (the judges who judged the particular event) for their review **on the competition floor**. The Coaches may **not** be present during the review.
- i. Reviews must be conducted in the presence of the **Meet Referee** and the **Event Panel ONLY**. If the **Meet Referee** is on the panel, the **next highest rated official** must participate. A simple majority of the review panel will determine success or failure of the review. If the review is successful, the **INDIVIDUAL'S** score will be adjusted accordingly and the **TEAM** score if it is a counting score.
- j. The **results of the review** will be noted on the VRF by the **Meet Referee** and returned to the **Meet Director** (or host institution designee), who will take the VRF to the score table. The **official score** will be adjusted (up or down). Then the **Judges** will sign the **Official Scoresheet**, and the **Meet Director** will deliver the VRF to the coach.
- k. If a score is changed during an **INQUIRY** or **VIDEO REVIEW**, the skill or connection under review is subject to additional deductions for incompleteness or rhythm.
- l. Decisions rendered by the **Judges' Review Panel** are final and **cannot** be overturned
