

Canvas Registration for NGA Women's Officials

All exams are administered on the Canvas platform. You must register with Canvas to take the exam(s). (If you have previously used Canvas for a college or university course, you will need to have a separate registration.)

Do NOT register with Canvas until you are ready to take the exam(s). You cannot register with Canvas today and take the exam tomorrow. You must register with Canvas and take the exam(s) on the same day.

To begin the registration process, go to <https://canvaslite.instructure.com/enroll/E4WRNY>. You will see a page that looks similar to this:

The screenshot shows the Canvas enrollment interface. At the top is the Canvas logo. Below it is the title "Enroll in NGA - Women's Officials Exams". A message states "You are enrolling in NGA - Women's Officials Exams." followed by the instruction "Please enter your Email:". There is an "Email" label and a text input field containing the placeholder "Email". Below the input field are two radio button options: "I am a new user" and "I already have a Canvas Lite login". At the bottom is a link that says "View Privacy Policy".
